Space & Naval Warfare Systems Command Awards Contract

Booz-Allen & Hamilton, Inc. of McLean, Va., is being awarded a \$15,335,648 contract to provide Information Warfare – Defend (IW-D) technical and managerial support services to SPAWAR's Information Systems Security/Information Warfare Defense program office (PMW 161). IW-D services will include systems security engineering, system implementation and installation support, integrated logistics support, and general program management support. The support will be provided on a Cost plus Fixed Fee basis for a base and four option years. The total estimated value of the contract, if all options are exercised is \$72,224,103. Multiple FY 99 funding sources of \$1.8 million will be obligated at award. Booz Allen will work in conjunction with PMW 161 to ensure the successful and timely implementation of IW-D products and services across various Naval platforms worldwide. Work will be performed in San Diego and will be completed by September 30, 2003. Funding is from multiple sources and will expire at the end of the fiscal year from which the funds are derived. This requirement was released on the World Wide Web on an unrestricted basis, with the only proposal received being from Booz-Allen & Hamilton. Booz-Allen previously provided these services to PMW 161 under contract N00039-94-C-0023. The Space and Naval Warfare Systems Command is the contracting activity (N00039-99-C-3103)
